Once upon a time, there were a big brother and a little sister, Ace and Tutu. They loved to tell jokes to each other.

Ace: Why did the chicken cross the road?

Tutu: To get to the other side!

P2

Tutu: Why did the chewing gum cross the road?

Ace: It was stuck to the chicken's foot!

P3

One day, Ace and Tutu decided to go to the Peach Blossom Island, which is on the other side of the river.

Tutu: Ace, I really want to watch the beautiful flowers on the island. can you go with me?

Ace: Hmmm, we can cross the bridge, but I heard there was a troll long time ago.

P4

Tutu: Oh, please... It was only a tale. There won't be any troll around.

Ace: OK, then.

P5

So Ace and Tutu came to the river together. Right before they stepped on the little bridge, a giant monster jumped out.

Monster: Rahhhh!

Ace & Tutu: Ahhhh!

P6

Monster: Heeheehee! I have been waiting for ages! Finally someone comes!

Tutu: Wh..what d..do you want?

Ace: Don't eat us please!

P7

Monster: Hmmm, you got to answer three questions. If you are right, I'll let you pass. If not, heeheehee!

Ace & Tutu: OK, what's your first question then?

P8

Monster: Why did the chicken cross the road?

Ace: Hahaha!

Tutu: I know, I know! To get to the other side!

P9

Monster was very surprised. He went on to ask the second question.

Monster: Why did the pig cross the road?

Ace: Let me think...

P10

Ace: Ah, chicken is on holiday!

Ace & Tutu: Hahaha!

P11

The monster was shocked and he asked the last question.

Monster: Why did chicken cross the road?

Ace & Tutu: This is a tricky one...give us a sec..

P12

The monster was very proud of his last question. But then...

Ace & Tutu: The chicken is back from the holiday!

P13

All three of them laughed and laughed...

Monster: you are the cleverest kids I've ever seen. Can I play with you?

Ace: OK then. Let's cross the bridge first and then we can tell more jokes on the island.

Tutu: But don't feel hungry at any time...

P14

Monster: You know what? I am a joke monster and I only eat jokes.

Ace & Tutu: Oh, you could be our friend then. We've got plenty of jokes for you everyday!

P15

Since then, Ace, Tutu and the monster became best friends and people could always hear them laughing at each other's jokes...

Ace, Tutu, Monster: giggles
